**Acknowledgement of Risk, Medical, and  
Media Release**

We have chosen to attend the Shamineau Ministries programs in part because of the camp activities they offer. I understand and acknowledge that participation in the everyday camp activities offered by Shamineau Ministries (including but not limited to rock climbing, hiking, snow-shoeing, cross-country skiing, swimming, water activities, high and low ropes course elements, riflery, horseback riding, mountain boarding, skateboarding and roller boarding, climbing the ice tower, or artificial indoor climbing wall) entails both known and unanticipated risks of harm which could result in physical or emotional injury, paralysis, death, or damage to the participant, to property, or to third parties. I understand and acknowledge that such risks simply cannot be eliminated without jeopardizing the essential qualities of the activity. I further understand and acknowledge that the risk of harm inherent in these activities may be increased by factors beyond the control of Shamineau Ministries, including but not limited to the weather and elements, equipment manufacturer's malfunction and a participant's fitness and abilities. I hereby authorize the Shamineau Ministries staff to secure medical treatment for myself or my family if necessary. I further authorize the camp to use photos or videos taken of myself or my family members at Shamineau events for Shamineau Ministries promotional purposes. At no time will camp photos/videos be used by unrelated organizations.
